

# Gran Sasso Fan Camp

## Courses for Adults and University Students in ABRUZZO, ITALY

**A UNIQUE EXPERIENCE OF A LIFETIME IN LIVING AND LEARNING IN THE LEGACY OF EMPEROR HADRIAN.**

Spark your intellectual curiosity and enhance your skills in an intensive Gran Sasso Fan Camp. Whether you are an undergraduate student, a postgraduate scholar, a working professional, or an adult in search of academic adventures, you can take advantage of our Gran Sasso Fan Camp, faculty and environmental resources. We can definitely help you discover your passion and achieve your academic, professional and leisure goals with transfer credits, certificates of attendance and new skills and competencies acquired through our programmes by living in Italy inside one of its old traditional "borgo". **Fano adriano is perched on the slopes leading with a direct pathway to the Gran Sasso mountain range inside the world famous Gran Sasso Park.**

### PROGRAMMES INCLUDE:

**Environment, wild life, bio-diversity, architecture, history, food & beverage, including cheese making, oil and wine production, law, local administration, painting, photography, green & blue economies.**

All the programmes offer the opportunity for individuals, groups, university cohorts to living life in Italy, in Abruzzo, flavoured by the most renowned of the Roman Emperors, Hadrian, whose traditions and legacies are living memories throughout the world - the Borgo of Fano Adriano lies in the shadow of the Gran Sasso Mountain ranges. It is also world famous for its Christmas Museum and holds Crib Making sessions inside its walls. Each programme will also include a specialised parallel course in learning the Italian language and culture.

**A summer with thematic content and sea excursions on the Abruzzo coast and a winter focus, including skiing in Prati di Tivo, winter resort are also available according to the programme season.**

**2 WEEKS PER SESSION: Spring 2021 - Summer 2021 - Winter 2021**
